Rules & Etiquette

Please be aware that all power carts must obey the on course signage and stay well away from all greens and roped off areas.

Please show respect for the course by:

- Replacing all divots
- Repairing your ball marks
- Raking sand bunkers

Method of Play- Texas Scramble/Best Ball

Every member of each group will hit a tee shot. From there, the preferred shot is selected and the same process is repeated until the ball is holed out.

Please be mindful of how long your team spends on a hole and try to keep the pace.

Scramble Rules

- At least **THREE (3) tee shots from each player must be used** throughout the round.
- Ladies tee off from the **whites**

Mulligans & Grenades

Mulligans are sold in support of the **Alberta Cancer Foundation**.

Grenades are sold in support of the **CSEG Foundation** Scholarship Program.

Mulligans may be used to retake **any shot**, however, are only allowed to be used **once per hole per person**.

Grenades may be launched when you need to **throw your ball** into a better position, however, are only to be used **once per person for the entire 9 holes** (max 4 per team).

For each mulligan and grenade purchased, the participant will receive a token which they must retain until they want to use it.

The captain of each team is responsible for tracking mulligans & grenades on behalf of their team.
